

that she was in bed under the cover she further stated
to me that she had got up and on doct the door and
let him in on the night & occasion alluded to in the
inquiry she further told me that she knew that it
was owing to fact that man in at that hour of the
night the witness further states that the man alluded
to above came the most morning about sum time and
asked for his coat and ~~for the purpose~~

question have you ever known this man ~~of our company~~
frequently at my hours with my wife in my absence or
at any other place under suspicious circumstances

Answer tho I have frequently seen them to gether.
I have never seen any thing that led me to believe
that any criminal intercourse was going on
between them after on the night of the 8th

Now last when My wife on doct the door
to let this man in did you hear her say that
she ~~told~~ fear there was a chear: was it
your impression that she invited him to sit down
or to ask the chear to put his clothes on

Mary said she told the gentleman there was a chear
and what was her intention as it respects the
us he was to make of it she would gratify
no one to state

Open about 2 years ago did you not hear Mary
say that a certain man in this place & Hill took
her up when seated by the fire and carried her
threw her on the B.D Answer I did
question Did you not believe from what you know
of my wife that she is and has been in the habit
of carrying on criminal intercourse with ~~other~~ person

Answer from the knowledge I have of your wife
being in the same house with her I do believe
you are mistaken in the character of your wife
